# NEW CAGE CARDS BEING ROLLED OUT IN THIS FACILITY

The supply of old cage cards (*left*) will be replaced by a supply of new cage cards (*right*) within the next month. Existing cards on cages do not need to be changed. The new cage cards will be used when creating new cages.

## Key changes and updates are highlighted below:

- 1 Clinical number has been moved to a more visible spot
- 2 Added space for Lab Group Email Address ( , ,  )  
Parent Barcode Number ( ,  ), and Parent Cage ID ( ,  )
- 3 Added check boxes to show who (ULAM / Lab) weaned animals
- 4 Added more space for writing notes
- 5 Replaced "male" and "female" text with male (♂) and female (♀) symbols
- 6 Added space for genotype information (  only)
